

# Assistant Dietitian

Job Pack

## Job Description - Assistant Dietitian

**TITLE:** Assistant Dietitian

**LOCATION:** 6 Minshull Street, Manchester

**HOURS:** Part time

**ACCOUNTABLE TO:** Senior Management

The Bridge is part of the Tx Group, a growing private therapy company, providing a variety of health and education therapy services in the North West of England.

The Bridge is a privately run outpatient service offering immediate specialist support to children and adults who may be experiencing eating disorders or concerns surrounding eating behaviours. We identify/recognise that there are limited options available for families seeking access to outpatient services and existing facilities often have large waiting lists and strict inclusion criteria. Our team provide a supportive outpatient service for those who are seeking immediate treatment and adopt a multidisciplinary team approach to help achieve effective long-term results for children and their families in overcoming food related problems.

The Bridge works with a multidisciplinary team including dietitians, mental health nurses, psychologists and medics. Our company philosophy is patient-centred and holistic. We are committed to providing the highest standard of care to everyone we treat, helping children and parents make real progress in a professional, caring, safe and supportive environment.

The Assistant Dietitian will join The Bridge on a part time basis working from our clinics in the centre of Manchester.

### Apply now

To apply for this position please send your CV along with any covering information to [careers@thebridgeservice.co.uk](mailto:careers@thebridgeservice.co.uk)

We provide children and adults with immediate access to a multidisciplinary specialist eating disorder service.

## Job summary

### Main Responsibilities:

- To assist with the development of the The Bridge as a service.
- To work alongside a qualified Dietitian in our clinic with children and adults between the ages of 11-25 and their families/carers.
- Work to help children with an eating disorder maximise the quality of their life.
- To participate in multidisciplinary team meetings linked to individual clients or the service as a whole.
- To liaise with other healthcare professionals, clients, parents and any other relevant individuals in order to help meet the holistic needs and goals of clients.
- Actively engage in the use supervision and all other training opportunities provided to further own professional and clinical development and that of others.
- To carry out research for the company.
- To produce website content.
- To increase exposure to identified target markets.
- To increase awareness by providing facts and figures.
- To answer calls and deal with enquiries about the service.
- To book appointments.
- To greet clients on their arrival.

Our vision is to improve the health of children and adults by providing them with immediate access to an evidence-based multidisciplinary eating disorder service.
